## **Project Lead – Sierra Leone**

Global Schoolroom is a teacher education initiative established in 2006 by two Irish teachers, which has since then brought over 1000 Indian teachers together with more than 200 of their Irish counterparts to share their educational experience, expertise and good practice. Since 2008, Global Schoolroom has facilitated a UCD Collaborative programme with approximately 600 Indian teachers progressing to a Level 7 award.

With a ten-year track record in India, Global Schoolroom is now entering into an exciting new stage in its mission to eradicate poverty, promote economic development and build sustainable communities through the provision of quality education.

In a response to the Sustainable Development Goals, Global Schoolroom has been invited to deliver a teacher education programme for primary and secondary teachers in Sierra Leone, partnering with an international and locally established religious order. This initiative follows completion of a successful short investigative programme in mid 2016.

Global Schoolroom now seeks to engage the services of a qualified, experienced, resourceful and creative volunteer teacher to take on the role of Project Lead for a Pre-Pilot Teacher Education Programme, in Sierra Leone. The available position will be for three months, working part-time and will commence in December 2016.

For further details contact:

Garret Campbell  
CEO  
Global Schoolroom  
10 Lissadel Crescent, Malahide, Co. Dublin K36 C588

Or by email: [garret.campbell@globalschoolroom.net](mailto:garret.campbell@globalschoolroom.net)

**Closing date for applications is Friday, October 28, 2016**

Global Schoolroom is an equal opportunities employer. All shortlisted candidates will be interviewed.

## Project Lead – Sierra Leone

The responsibilities shall be:

- Working closely with the CEO to plan and develop content for a short programme for teachers in Sierra Leone for January 2017
- Together with the CEO, facilitating the programme in Sierra Leone in January 2017
- Reporting to the CEO and the Education and Financial sub-committees of the board on the planning and implementation stages of this programme, including financial reporting
- Engaging with Global Schoolroom partners and contributing to relationship building in Ireland and Sierra Leone in support of longer-term sustainability for this programme.
- Working closely with the CEO and Board of Global Schoolroom and with the project partners to establish future plans and funding for the Sierra Leone programme
- Working closely with the CEO to recruit and support volunteer tutors for the Pilot Stage of the programme

Successful applicants must bring:

- Relevant previous experience in planning and implementation of teacher education programmes in the Developing World
- Strong communication and interpersonal skills
- Strong organisational and reporting skills with attention to detail
- Flexibility and availability to work nationally and internationally

The role will be as a supported volunteer with all expenses paid and with the addition of a stipend of €2,000 for the three-month period.

A letter of application along with a CV should be sent to:
